

## ACRO New Practitioner Committee SEED Grant Details and Application

**Deadline to Submit an Application:  
Extended to September 30, 2019**

### Background

The American College of Radiation Oncology (ACRO) New Practitioner Committee is proud to offer a funding opportunity for members of ACRO. The committee is acutely aware of the benefit that monetary support for small projects can provide. Given the increased difficulty in obtaining funding, the New Practitioner Committee is providing a SEED grant to fund small but worthwhile projects.

### Scholarship Details

- ACRO will provide a \$1,300 grant to a new practicing physician that is within 5 years of residency training completion.
- Of this \$1,300 that is awarded, \$750 will be appropriated towards funding the research project, and \$750 will be awarded for travel to the ACRO 2020 annual meeting.
- The \$750 portion for the research project will be provided within 2 weeks of receipt of the award.
- Award member must provide a 1 page interim report of his/her project by October 25, 2019.
- The Award recipient must submit his/her project for presentation at the ACRO 2020 Annual Meeting and make arrangements to attend the meeting.
- The travel portion of the scholarship will be provided after the project has been submitted and accepted by the scientific planning committee.
- Final acceptance and disbursement of funds is subject to review by the ACRO New Practitioner Committee.

### Eligibility
